Mr. Harold Weisberg
Coq d'Or Farm
Hyattstown, Maryland 20734

Dear Mr. Weisberg:

I have your letter regarding your manuscript "The Report on the Warren Report."

Several years ago the Fund for the Republic abandoned its program of grants-in-aid in order to establish the Center. I am sorry to have to tell you that this is outside the Center's field and my competence.

I am glad you will continue trying and I hope you will succeed in getting your manuscript published.

Sincerely yours,

Robert Hutchins
